

In aid of

Netball Charity Event at DVC Sports
Sunday 31st August 2014
10am – 4pm

Polite Notices and Information about the charity event

All money raised at this event will be donated to **Breast Cancer Care** (Registered Charity number 1017658 for England & Wales) Breast Cancer Care number: 1124908

This is a non-profit event - this event is open to all members of Netball of Excellence, family, friends and the general public – the more the merrier!

We hope this will be a fun-filled event with the aim of raising as much money as we can to donate to a wonderful charity. There will be a mini netball tournament, fun games sessions and various stalls, throughout the day.

All netball players who are entering the mini-tournament or participating in the fun games sessions are to wear **PINK**. The brighter the better, but please make sure that your kit is suitable to play netball (all netball rules will still apply i.e. suitable footwear, no jewelry/watches and nails must be short).

For those who are participating in the fun games sessions, suitable footwear must also be worn. **Entry forms for the netball tournament are available from Mandy Fuller or alternatively on the NOE website**

Help Needed - If anyone can volunteer to help on the day in anyway, please contact Mandy Fuller on the email address below (preferably volunteers required who are not intending to play netball).

We are looking for a face painter – if you or you know anyone who can offer their expert talent, please contact Mandy Fuller

We need donations for the raffle/tombola/bottle stall e.g. unwanted gifts, toiletries, bottles of alcoholic beverages/bottles for the bottle stall etc – please no bric or brac! These donated items can be brought to any matches of the summer league and will be gratefully appreciated.

We also require donations of baked goods, we plan on having a cake stall, so if you or you know anyone is willing to bake – that would be great.

If anyone has any ideas of stalls or fundraising ideas for this event please contact:

Mandy Fuller: mandyfuller@talktalk.net
