The PAYG training days can be taken by a team. If you are interested please contact me asap. Alternatively, it will be open to anyone at £3.50 per session.

Dear Captains.

IMPORTANT (relax of the rules): If teams are short of players to avoid cancelling games and facing charges, the team can borrow players from other teams, with restriction to the positions GS or GA, to keep it fair. Please confirm that you have received this copy by return email, or text my mobile 07901 925064.

1. Each match must be paid for on the day and prior to the match commencing (£25 per team per game). The £50 deposit paid on entry, will be used for the last two matches unless it has been used for a "no shows".
2. Please see the terms and conditions of the summer league fixtures and the handbook which can be viewed on the website: www.netballofexcellence.co.uk.
3. If anyone wishes to practice or be mentored for umpiring please feel free to attend any matches to be the second umpire. Please take advantage of these matches to practice your umpiring skills.
4. The games with * need an umpire. Please contact me if you are willing and able to umpire any of the matches.
5. During the summer matches, players often miss training. Please take advantage of the PAYG sessions available.

Any questions please contact Diane Lewis 07901 925064.
